Dr. Saurabh Singhal

Founder of Indira Gandhi Computer Saksharta Mission and Sikkim Global Technical University. A resultsdriven, selfmotivated and resourceful person with a proven ability to develop and strengthen management teams in order to maximize organization's profitability and efficiency...

Since 2008, under the visionary guidance of Dr. Saurabh Singhal, IGCSM has transformed from a humble initiative into a prominent force in the Indian education sector. The journey began with the establishment of the first franchise in Tijara, Rajasthan, and the inaugural institute in Jansath, Uttar Pradesh. Over the years, IGCSM has expanded its footprint to over 200 franchisees and numerous institutes, collaborating with more than 10 ministries to provide skill development and education to rural parts of India.

Dr. Singhal's relentless commitment to education and skill development has seen IGCSM form partnerships with both national and international organizations, playing a pivotal role in the Technical Intern Training Program (TITP). The organization has earned accolades from prestigious entities such as NSDC and Microsoft, as well as various government and private organizations.

In 2023, Dr. Singhal founded Sikkim Global Technical University (SGTU), marking a significant milestone in his journey. SGTU, along with multiple ITIs and polytechnics across India, now operates over 100 active training centers, making substantial contributions to government skill development initiatives at both national and state levels. From modest beginnings, Dr. Singhal's leadership has propelled IGCSM to become a giant in the education sector, dedicated to empowering the needy and fostering development in rural India.

IGCSM

"Skill is the unified force of experience, intellect and passion in their operation." John Ruskin.

The Indira Gandhi Computer Saksharta Mission (IGCSM), founded in **2008** through the sheer effort of Dr. Saurabh Singhal, aims to **Educate, Enable, and Empower**. Operating across 21 states, IGCSM has impacted more than 3 Lakh lives by focusing on educating children, enhancing youth skills, and empowering girls and young women. Individual and governmental efforts are crucial in bridging this gap for India's successful transformation.

SGTU

The **Sikkim Global Technical University (SGTU)** established under the **Sikkim legislature assembly** through its official gazette 11th July 2023 and is recognized by the **UGC Act 1956 under Section 2(f)**. SGTU is also the member of **Association of Indian Universities (AIU)**

Under the umbrella of IGCSM and guidance of Dr. Saurabh Singhal having experience in skill development industry for 15+ years. We AIM to enrich the Indian education and prosper future of students.

We AIM to pursue and actualize the dream of making SGTU a global tycoon in Higher education. That allows learners to achieve perfection
